ANNEXURE 1: SETTLEMENT, CLEARING AND TRANSFER OF NOTES

The Programme Memorandum is amended in relation to this Tranche of Notes by the replacement of the section titled "*Settlement, Clearing and Transfer of Notes*" on pages 122 to 124 of the Programme Memorandum with the following new section titled "*Settlement, Clearing and Transfer of Notes*" as follows:

SETTLEMENT, CLEARING AND TRANSFER OF NOTES

Capitalised terms used in this section titled "Settlement, Clearing and Transfer of Notes" shall bear the same meanings as used in the Terms and Conditions and the Financial Markets Act, 2012 except to the extent that they are separately defined in this section or this is clearly inappropriate from the context.

Notes listed on the JSE and/or held in Strate Proprietary Limited (the "CSD")

Each Tranche of Notes which is listed on the JSE will be held in the CSD. A Tranche of unlisted Notes may also be held in the CSD.

Clearing systems

Each Tranche of Notes listed on the JSE will be issued, cleared and settled in accordance with the rules and operating procedures for the time being of the JSE and the CSD through the electronic settlement system of the CSD. Such Notes will be cleared by Participants who will follow the electronic settlement rules, listing requirements and operating procedures from time to time of the CSD, Participants, Settlement Agents, JSE and/or any Financial Exchange, as the case may be ("**Applicable Procedures**").

Participants

The CSD holds Central Securities Accounts for the Participants (which accounts may be in the name of such Participants or such Participants' clients). The nominal value of which beneficial interest, in relation to any number of Notes in that Tranche, is determined by reference to the portion that the aggregate Nominal Amount of such number of Notes Outstanding bears to the aggregate Nominal Amount of all of the Notes in that Tranche Outstanding, as provided for in section 37(3) of the Financial Markets Act 2012 ("**Financial Markets Act**").

The clients of Participants, as the holders of the Beneficial Interests (as such term is contemplated under the Financial Markets Act) or as custodians for such holders, may exercise their rights in respect of the Notes held by them in the CSD only through the Participants. Euroclear and Clearstream will settle off-shore transfers in the Notes through their Participants.

Settlement and clearing

Participants will be responsible for the settlement of scrip and payment transfers through the CSD, the JSE and the SARB.

While a Tranche of Notes is held in its entirety in the CSD, each Person recorded in the Uncertificated Securities Register will be named in the Register as the registered holder of that portion of that Tranche of uncertificated Notes so registered in that Person's name in accordance with the Applicable Procedures.

All amounts to be paid in respect of Notes held in the CSD will be paid to the CSD and all rights to be exercised in respect of Notes held in the CSD may be exercised only, in each case, in accordance with the Applicable Procedures.

Transfers and exchanges

Title to uncertificated Notes or Beneficial Interest in uncertificated Notes held by Participants, as the case may be, will pass on transfer thereof by electronic book entry in the Central Securities Accounts maintained by the CSD for such Participants, and/or the Securities Accounts maintained by Participants for their clients, as the case may be, in accordance with the Financial Markets Act and the Applicable Procedures.

An uncertificated Security or Beneficial Interests therein may be exchanged for Notes represented by Individual Certificates in accordance with the Terms and Conditions.

Records of payments and voting

Neither the Issuer nor the Paying Agent will have any responsibility or liability for any aspect of the records relating to, or payments made on account of, uncertificated Notes or Beneficial Interests in uncertificated Notes, or for maintaining, supervising or reviewing any records relating to uncertificated Notes or Beneficial Interests in uncertificated Notes. Holders of uncertificated Notes or Beneficial Interests in uncertificated Notes vote in accordance with the Applicable Procedures.

JSE Debt Guarantee Fund Trust

The holders of Notes that are not listed on the JSE will have no recourse against the JSE or the JSE Debt Guarantee Fund Trust. Claims against the JSE Debt Guarantee Fund Trust may only be made in respect of the trading of Notes listed on the JSE and can in no way relate to a default by the Issuer of its obligations under the Notes listed on the JSE. Any claims against the JSE Debt Guarantee Fund Trust may only be made in accordance with the rules of the JSE Debt Guarantee Fund Trust. Unlisted Notes are not regulated by the JSE.

ANNEXURE 2: SOUTH AFRICAN TAXATION

The Programme Memorandum is amended in relation to this Tranche of Notes by the replacement of the paragraphs headed "Income Tax", "Capital Gains Tax" and "Withholding Tax" under the section titled "South African Taxation" on pages 129 to 131 of the Programme Memorandum with the following new paragraphs headed "Income Tax", "Capital Gains Tax" and "Withholding Tax" as follows:

The information contained below is intended to be a general guide to the relevant tax laws of South Africa as at the date hereof and does not purport to describe all of the considerations that may be relevant to a prospective purchaser of the Notes. South African tax legislation is subject to frequent change and accordingly the comments as set out below may be subject to change, possibly with retrospective effect. Prospective purchasers of the Notes should consult their own professional advisers in regard to the purchase of the Notes and the tax implications thereof. Accordingly, the Issuer makes no representation and gives no warranty or undertaking, express or implied, and accepts no responsibility for the accuracy or completeness of the information contained in this section. The content of this section constitutes a summary of certain aspects of the relevant South African tax laws as at the

date hereof and does not constitute tax advice, and persons should consult their own professional advisors.

Income Tax

Under current taxation law effective in South Africa, a “resident” (as defined in section 1 of the South African Income Tax Act, 1962 (as amended from time to time) (the “Income Tax Act”)) is subject to income tax on his/her world-wide income. Accordingly, all holders of Notes who are residents of South Africa will generally be liable to pay income tax, subject to available deductions, allowances and exemptions, on any income (including income in the form of interest) earned in respect of the Notes.

Non-residents of South Africa are subject to income tax on all income derived from a South African source (subject to domestic exemptions or relief in terms of an applicable double taxation treaty).

Interest income is from a South African source if that amount constitutes “interest” as defined in section 24J of the Income Tax Act where that interest:

1. is attributable to an amount incurred by a person that is a South African tax resident, unless the interest is attributable to a permanent establishment which is situated outside South Africa; or
2. is received or accrues in respect of the utilisation or application in South Africa by any person of funds or credit obtained in terms of any form of interest-bearing arrangement.

Accordingly, if the interest payments in respect of the Notes are from a South African source as set out above, the interest earned by a non-resident Noteholder will be subject to South African income tax unless such interest income is exempt from South African income tax under section 10(1)(h) of the Income Tax Act (*see below*).

Under section 24J of the Income Tax Act, broadly speaking, any discount or premium to the Nominal Amount of a Tranche of Notes is treated as part of the interest income on the Notes. Interest income which is received by or accrues to the Noteholder is deemed, in accordance with section 24J of the Income Tax Act, to accrue on a day to-day basis until that Noteholder disposes of the Notes or until maturity. The day to day basis accrual is determined by calculating the yield to maturity and applying it to the capital involved for the relevant tax period. The interest may qualify for exemption under section 10(1)(h) of the Income Tax Act.

Under section 10(1)(h) of the Income Tax Act, interest received by or accruing to a Noteholder who, or which, is not a resident of South Africa during any year of assessment is exempt from income tax, unless:

3. that Person is a natural person who was physically present in South Africa for a period exceeding 183 (one hundred and eighty-three) days in aggregate during the 12 (twelve)-month period preceding the date on which the interest is received or accrues by or to that Person; or
4. the debt from which that interest arises is effectively connected to a permanent establishment of that Person in South Africa.

If a holder does not qualify for the exemption under Section 10(1)(h) of the Income Tax Act, an exemption from, or reduction of any income tax liability may be available under an applicable double taxation treaty.

Section 24JB of the Income Tax Act contains specific provisions dealing with the taxation of “financial assets” and “financial liabilities” of “covered persons”, as defined in section 24JB of the Income Tax Act. If

section 24JB applies to the Notes, the tax treatment of the acquisition, holding and/or disposal of the Notes will differ from what is set out in this section. Noteholders should seek advice from their own professional advisors as to whether these provisions may apply to them.

Certain entities may also be exempt from South African income tax. Prospective subscribers for or purchasers of Notes are accordingly advised to consult their own professional advisors as to whether the interest income earned on the Notes will be exempt under section 10(1)(h) of the Income Tax Act or whether they constitute entities that are exempt from income tax.

Prospective purchasers subscribers for or of Notes are advised to consult their own professional advisors to ascertain whether the abovementioned provisions may apply to them.

The disposal of the Notes may give rise to income tax implications for any Noteholder that is a resident of South Africa. In respect of non-resident Noteholders, income tax implications may arise should the Notes so disposed of be attributable to a South African permanent establishment of such Noteholder. Prospective subscribers for or purchasers of Notes are advised to consult their own professional advisors to ascertain whether a disposal of the Notes will result in a liability to income tax.

Capital Gains Tax

The provisions relating to capital gains tax apply in respect of the disposal of any asset by certain taxpayers. The word "*dispose*" is defined in the Eighth Schedule to the Income Tax Act to include, *inter alia*, any action by virtue of which an asset is created, transferred, varied or extinguished. If an asset was acquired, is held and will be disposed of on a speculative basis or as part of a scheme of profit making, the gain should generally be subject to normal tax. Capital gains tax is imposed at lower effective rates in comparison to income tax.

Residents are subject to capital gains tax on all capital gains realised on the disposal of any assets held on a worldwide basis. A non-resident is subject to capital gains tax only in respect of capital gains which are realised from the disposal of (i) "*immovable property*" (as such term is defined in the Income Tax Act) situated in South Africa or any interest or right of whatever nature of such non-resident to or in immovable property situated in South Africa (as such term is defined in paragraph 2(2) of the Eighth Schedule to the Income Tax Act, being, in essence, equity shares in certain companies, the principal assets of which are "*immovable property*" located in South Africa), or (ii) assets effectively connected with a permanent establishment of that non-resident in South Africa. A "*permanent establishment*" is defined (in section 1 of the Income Tax Act) as a permanent establishment as from time to time defined in article 5 of the Model Tax Convention on Income and Capital of the Organisation for Economic Co-operation and Development, with some additions. The disposal of Notes by residents of South Africa may give rise to capital gains tax implications.

The capital gains tax provisions will not apply to the extent that the holder of the Notes constitutes a "*covered person*", as defined in section 24JB of the Income Tax Act (see above) applies to the Notes.

Any discount or premium on acquisition of the Notes which has already been treated as interest for income tax purposes under section 24J of the Income Tax Act (see above) will not be taken into account when determining any capital gain or loss. Under section 24J(4A) of the Income Tax Act a loss on disposal or redemption of the Notes will, to the extent that it has previously been included in taxable income (as

interest), be allowed as a deduction from the income of the holder when it is incurred and accordingly will not give rise to a capital loss.

Capital gains tax in terms of the Eighth Schedule to the Income Tax Act will not be levied in relation to Notes disposed of by a Person who is not a resident of South Africa unless the Notes disposed of are effectively connected with a permanent establishment of that Person in South Africa.

Prospective subscribers for or purchasers of Notes are advised to consult their own professional advisors as to whether a disposal or redemption of Notes will result in a liability to capital gains tax.

Withholding Tax

The withholding tax ("WHT") on interest payments from a South African source (see above) to non-residents at the rate of 15% (fifteen percent) came into effect on 1 March 2015. The WHT on interest applies to interest that is paid or that becomes due and payable on or after this date. To the extent that any interest is paid to Noteholders who are South African tax residents, the WHT on interest will not apply.

The WHT on interest does not, however, apply to payments made to non-resident Noteholders in respect of any interest paid by a "bank" (defined as, *inter alia*, any bank as defined in section 1 of the Banks Act), provided there is not a "back-to-back" arrangement between any non-resident Noteholder and the bank. The WHT on interest does not apply to payments of interest made in respect of any "listed debt", which is defined as debt that is listed on a recognised exchange. The JSE Limited constitutes a recognised exchange in accordance with paragraph 1 of the Eighth Schedule to the Income Tax Act. Other exemptions may apply to interest payments made to non-resident Noteholders. If interest paid to a Noteholder does not qualify for an exemption under the WHT on interest provisions, an exemption from, or reduction of, any WHT on interest liability may be available under an applicable double taxation treaty.

Documentary requirements exist in order to rely on certain of the exemptions from, or reductions in the rate of, the WHT on interest. Prospective subscribers for or purchasers of Notes are advised to consult their own professional advisors as to whether the payment of any interest in respect of the Notes will result in a liability for the WHT on interest.

The references to "*interest*" and "*dividend*" above mean "*interest*" and "*dividend*" respectively as understood in South African tax law. The statements above do not take account of any different definitions of "*interest*", "*dividends*" or "*principal*" which may prevail under any other law or which may be created by the Terms and Conditions or any related documentation. References to "*Person*" above shall mean "*person*" within the meaning given in section 1 of the Income Tax Act.
